

JAYNA MORGAN & THE SAZERAC SUNRISE JAZZ BAND

NEW ORLEANS JAZZ AND SWING

Jazz vocalist JAYNA MORGAN knows how to light up a room and charm an audience. Her singing style invites listeners of every age to remember the days when jazz was king. Her choice of songs and brilliant renditions of standards make her shows refreshing and classy. Combine this with her divine appearance onstage and welcoming demeanor, which creates a uniquely personal entertaining experience, for both large and more intimate audiences.

Perhaps her greatest feature, however, is her New Orleans style, bringing the listener back to the bayous of Louisiana she calls home. Her shows are fun, sultry, old-fashioned, sexy, and sometimes silly; a musical journey to the Crescent City.

THE SAZERAC SUNRISE JAZZ BAND is available for private events and club bookings with instrumentation varying from duos to big bands.
