

The Jazz-a-Belles Burlesque Show

The beautiful and demur style of traditional burlesque combined with the hot and sultry sounds of New Orleans traditional jazz provides a unique and classy experience. JAZZ-A-BELLES brings its audiences back to the days of Storyville when hot jazz and burlesque were common.

JAZZ-A-BELLES is a live show with music by Jayna Morgan and her traditional jazz band which accompanies burlesque dancing under the artistic direction of Roxie Le Rouge. JAZZ-A-BELLES can provide one to three dancers and an emcee to keep the audience hootin' and hollerin'. Contact us for a sexy and titillating experience.
